Summary

The Educational Diagnostician will become an active member of the school team. The Educational Diagnostician will ensure the implementation of policies and procedures of the district and the Special Education Regulations, Delaware's Administrative Code.

Responsibilities and Duties

1. Assume responsibility for monitoring of all reports, records and other documents (specifically audit file information) required or administratively useful for students with disabilities transferring into the district; initial student referrals and placements; and currently identified students.
2. Schedule and facilitate IEP meetings including the preparation of, facilitator of, and follow-up.
3. Support staff with writing standards-based, measurable, observable IEP goals.
4. Support staff with progress monitoring through the collection and analysis of data.
5. Serve as the facilitator and/or integral member of the Instructional Support Team.
6. Communicate and support administration/staff with the implementation of IEP services, supports, and accommodations.
7. Maintain professionalism, confidentiality, and an atmosphere that promotes student learning.
8. Maintain and monitor accurate student data information (i.e. special education database) including those necessary for the September 30th, December 1st and Exit reports.
9. Coordinate the processes for initial evaluations, initial

placements, and three-year re-evaluations.

10. Serve as building contact person for parents who have questions or concerns regarding the provision of special education services.
11. Facilitate articulation of students receiving special education services transferring from grade to grade and from building to building.
12. Monitor the forwarding of progress reports on IEP goals and objectives at the time of report cards distribution.
13. Serve as a resource person and provide support/technical assistance regarding special education issues to building principals, general and special education teachers, and related service staff.
14. Serve as building level liaison to various state and community agencies in order to coordinate services for students with disabilities.
15. Ensure necessary reports are maintained in students' audit files for all initial evaluations and three-year re-evaluations.
16. Facilitate referral for special education students to appropriate outside agencies, including filing out applications, speaking and meeting with outside agencies and serving as a district representative for students in out of district placements.
17. Participate in staff development and staff meeting as a part of the school staff.
18. Perform other duties and responsibilities as assigned by the Principal and/or Supervisor of Special Education Services.
